

REMARKS

This is in response to the Office Action of April 22, 2004. With this response, claims 1, 2, 3 and 27 are amended, claim 5 is cancelled and all pending claims are presented for consideration and favorable action.

In paragraph three of the Office Action the Examiner noted a typographical error in claim 27. That claim has been amended and the rejection may be withdrawn.

In the Office Action, the Examiner indicated that claim 5 contained allowable subject matter. With this response, claims 1, 2 and 3 have been amended to include the subject matter of claim 5. Additionally, independent claim 3 has been amended to include a proper antecedent basis for language contained in the amendment from claim 5.

It is believed that with this amendment, the pending application is in condition for allowance. Consideration and favorable action are respectfully requested.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
